

**1976 Cessna 172M Skyhawk**  
**AIRCRAFT SPECIFICATIONS**  
**N-Number: N73489 S/N: 17267503**

This is an excellent low-time 172M with only 2,150 hours total with a low time 240 hour Lycoming O-320-E2D with 160 hp STC. Never used as a trainer and with no damage history, this is solid and square flying 172M. Good VFR panel that could easily become an excellent IFR trainer.

**Airframe: 2,150 Hours**  
**Engine: 240 Hours SMOH**

**Avionics**
