

**1976 Cessna 150M**  
**AIRCRAFT SPECIFICATIONS**  
**N-Number: N7887U S/N: 15077855**  
**\$ 27,500**

Wow! This is a low-time Cessna 150 that was purchased from an estate and we have now freshly refurbished it with an extensive annual inspection and fresh interior carpets and seats. Many new components have been added to bring this super clean 150 to prime condition. Fresh "0" time propeller overhaul, new seat rails and many other items. All ADs complied. This is a great find!

**Airframe: 5,250 Hours**  
**Engine: 1,625 Hours SMOH**  
**PROP: 0 HOURS SPOH**

#### Avionics
