

1964 Piper PA-24-250 Comanche 250

AIRCRAFT SPECIFICATIONS

N-Number: N8368P S/N: 24-3626

Make Offer \$ 69,500

The Piper Comanche 250 is one of the most popular cross-country aircraft ever built. Long range, fast cruise speeds of up to 157 knots, and a big time useful load, while peddling along on 10-14 gph. This old bird has a host of updated avionics including a Garmin 430W WAAS GPS/Nav/Comm to update its classic good looks. Very comfortable, smooth flyer.

Airframe: 4,055 Hours

Engine: 530 Hours SMOH

PROP: 530 HOURS Since New
