1971 Cessna 182N Skylane with P-Ponk 265 HP

AIRCRAFT SPECIFICATIONS

N-Number: N9212G **S/N:** 18260752

\$ 89,500

Super Eagle P-Ponk STC makes this a 182N the sleeper on the ramp. With a McCauley 3-blade prop, the increased climb and cruise performance makes for a superlative Skylane - 140 kts, 1,000'-1,500' rate of climb to altitude and a smooth, comfortable ride. You have to see this one. Great IFR panel and equipment.

Airframe: 5,645 Hours

Engine: 1,220 Hours SMOH

PROP: 5 HOURS Since New
