1941 Taylorcraft BC12-65
AIRCRAFT SPECIFICATIONS
N-Number: N29852 S/N: 2703

This classic vintage Taylorcraft has been freshly restored to its full glory for fun in the sun. Features many custom touches - new headliner, interior panels and seat upholstery, new woodwork, new windows, external comm antenna wired for nav and beacon lights, portable battery wiring for emergency starts, all new switches and circuit breakers. Great alternative to a Cub and outperforms with the reliable Continental A-65. Motivated owner upgrading to all metal airplane. Make Offer!

Airframe: 3,622 Hours
