

1956 Cessna 172
AIRCRAFT SPECIFICATIONS
N-Number: N6826-A S/N: 28926

What could be more fantastic than tooling around the sky in in the Original Cessna 172 - 1956 was the first year of the venerable Skyhawk, with 1,400 built that year. This one flies with a low-time engine with just 59 hours SMOH and low-time airframe at just 3,409. It is tight and stable and a joy to pilot. Own a piece of history!

Airframe: 3,409 Hours
